

PMI-OC Annual Survey Results September, 2020

2020 Survey was available to all PMI-OC members
August 8, 2020 - September 6, 2020.
The survey had 297 respondents.

Results were analyzed by the Strategic Planning and
Membership teams.

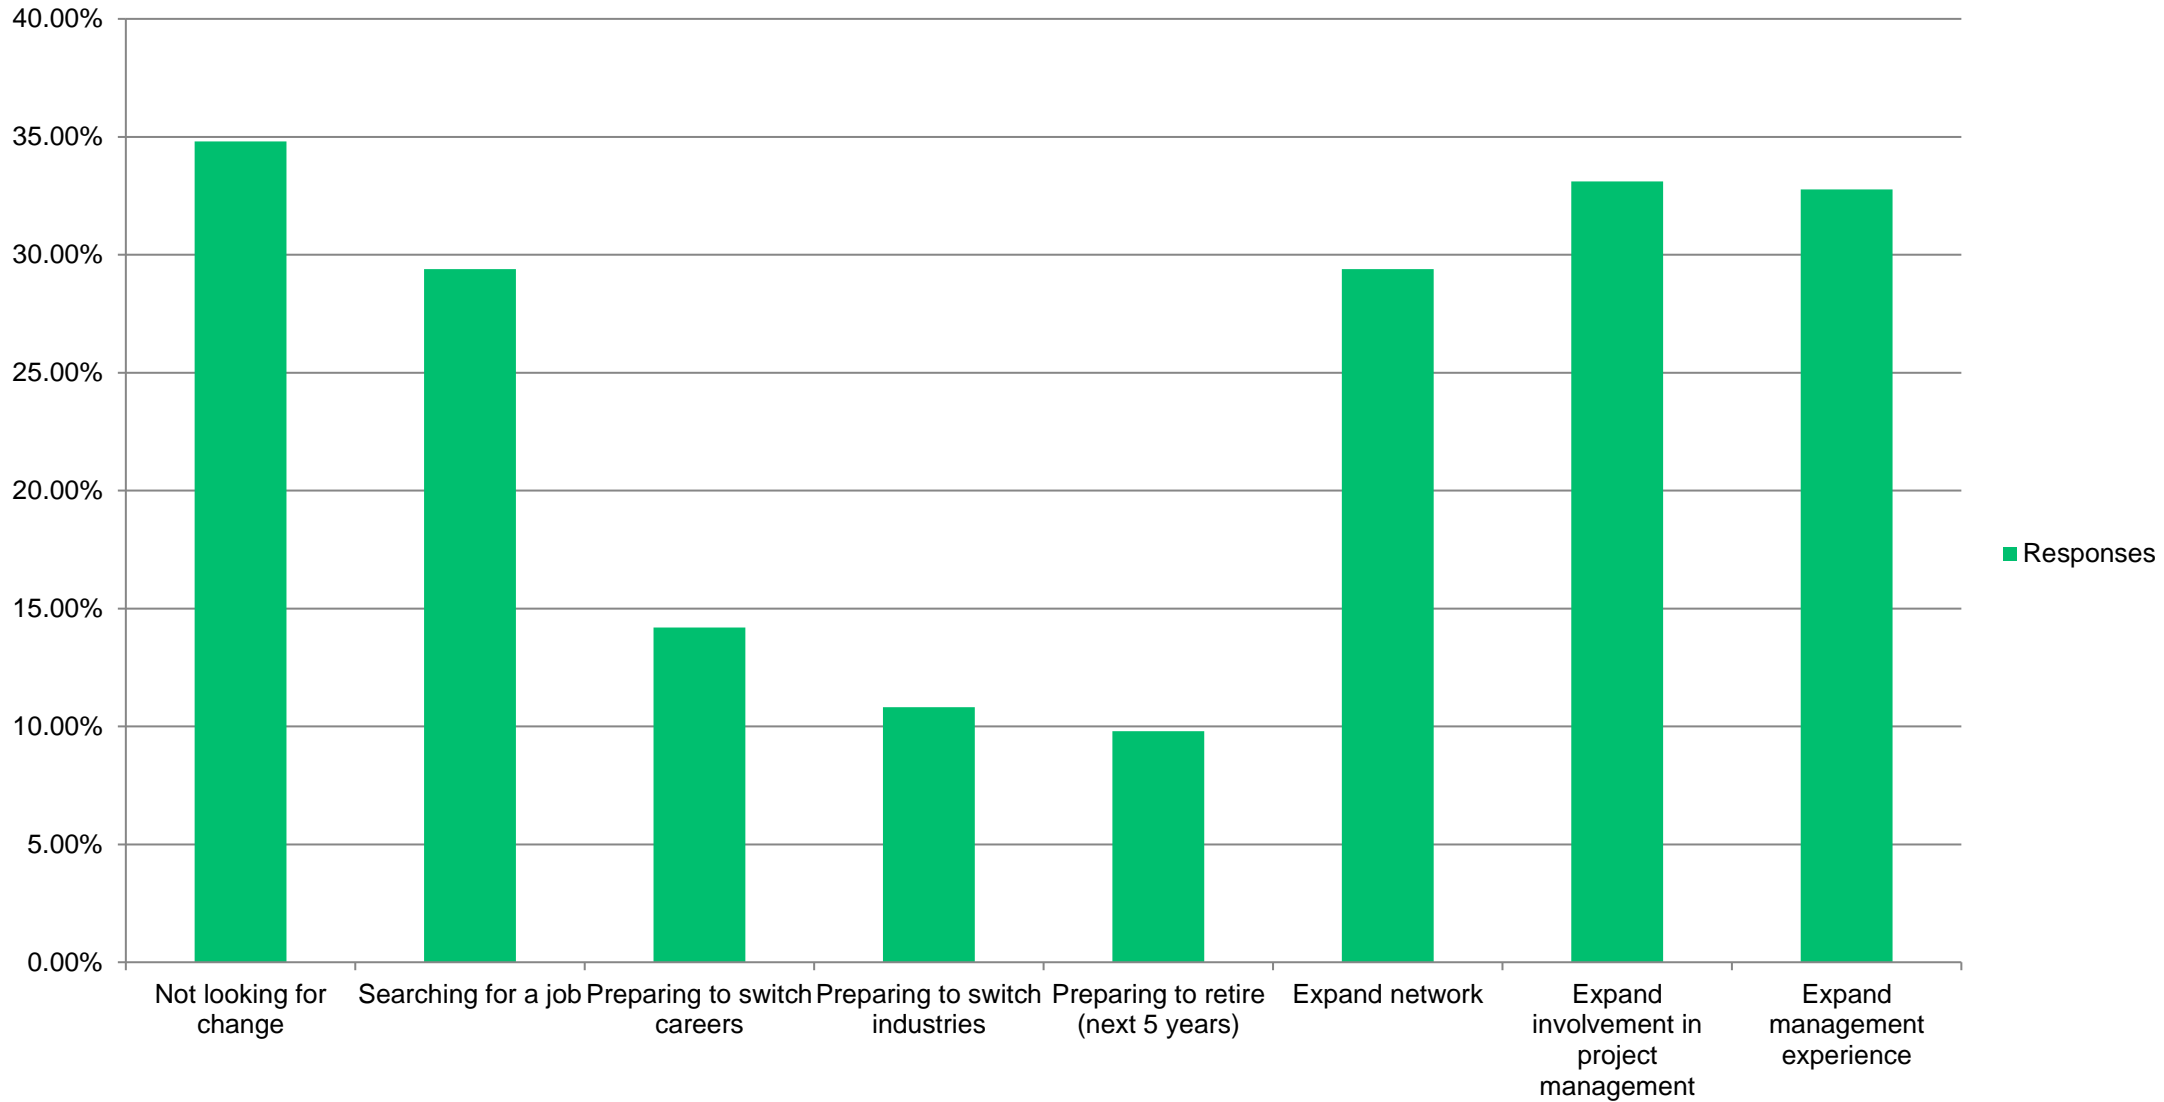

Survey Results

Top line results: members join and stay with the chapter because they want to:

1. Expand their network; even while social distancing, give opportunities to connect remotely
2. Obtain help during these difficult times through mentoring and professional development
3. Expand project management skills & knowledge (and earn PDUs)
4. Gain and expand general management / leadership skills

Survey Results

Question #1: What is your current career status?

Survey Results

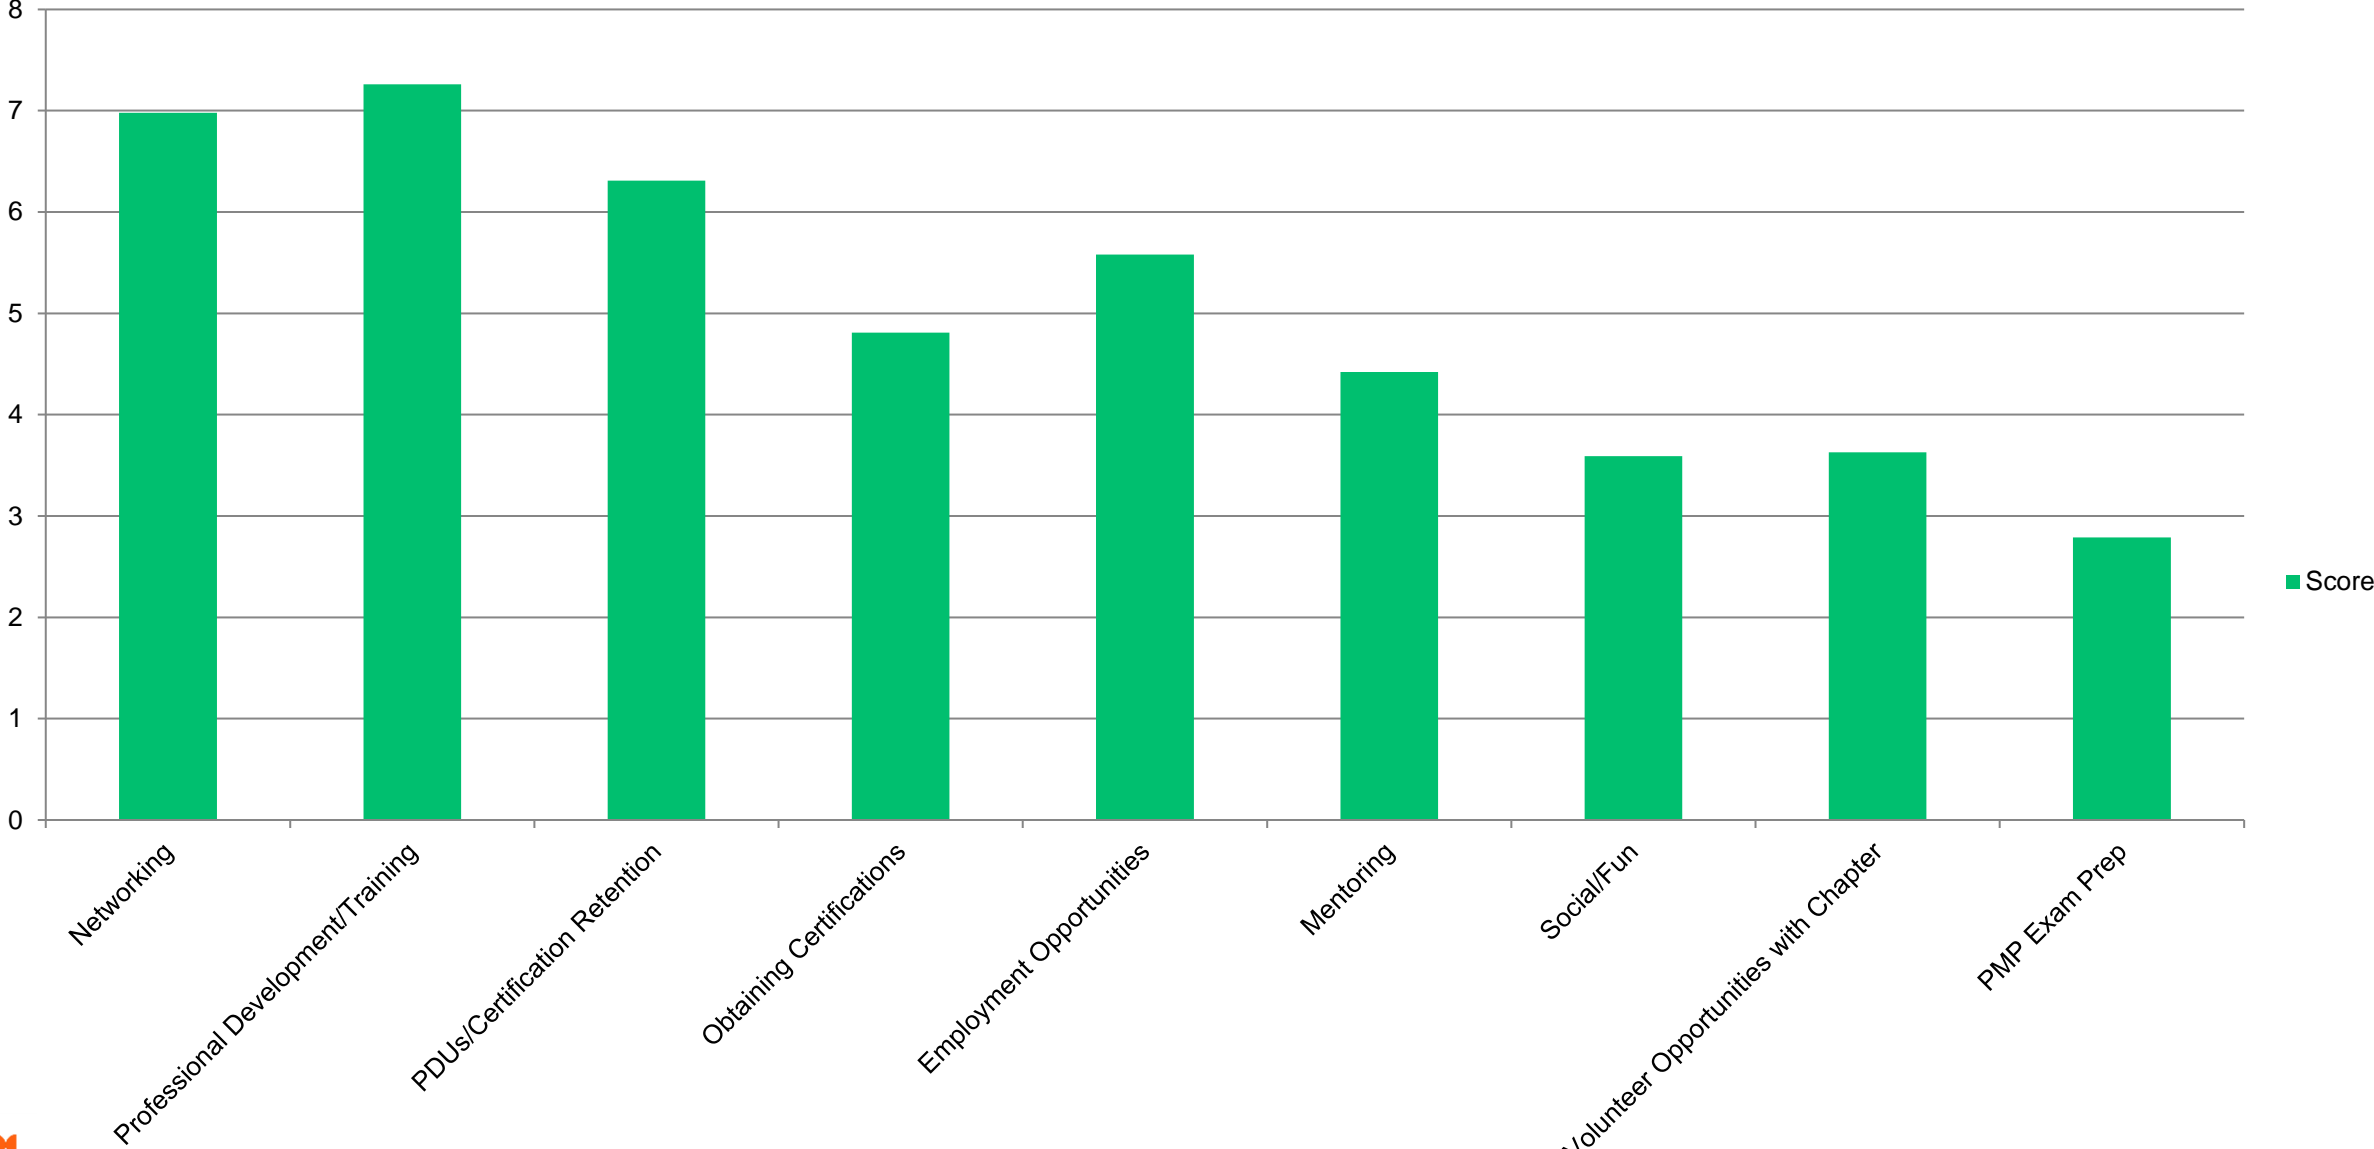

Question #2 – Has your career been affected by COVID-19 and if so, what could PMI-OC chapter do that would help better serve your needs?

The strategic planning and membership teams gleaned the following themes based on the individual responses from our PMI-OC members. PMI-OC chapter in the following ways:

1. Some are interested in expanding network so they joined the PMI-OC
2. Members need more mentoring in these difficult times
3. Looking for more virtual event / virtual networking
4. Expanded job board would be helpful
5. Seeking general management training (e.g. sales management)
6. Some are moving away from project management

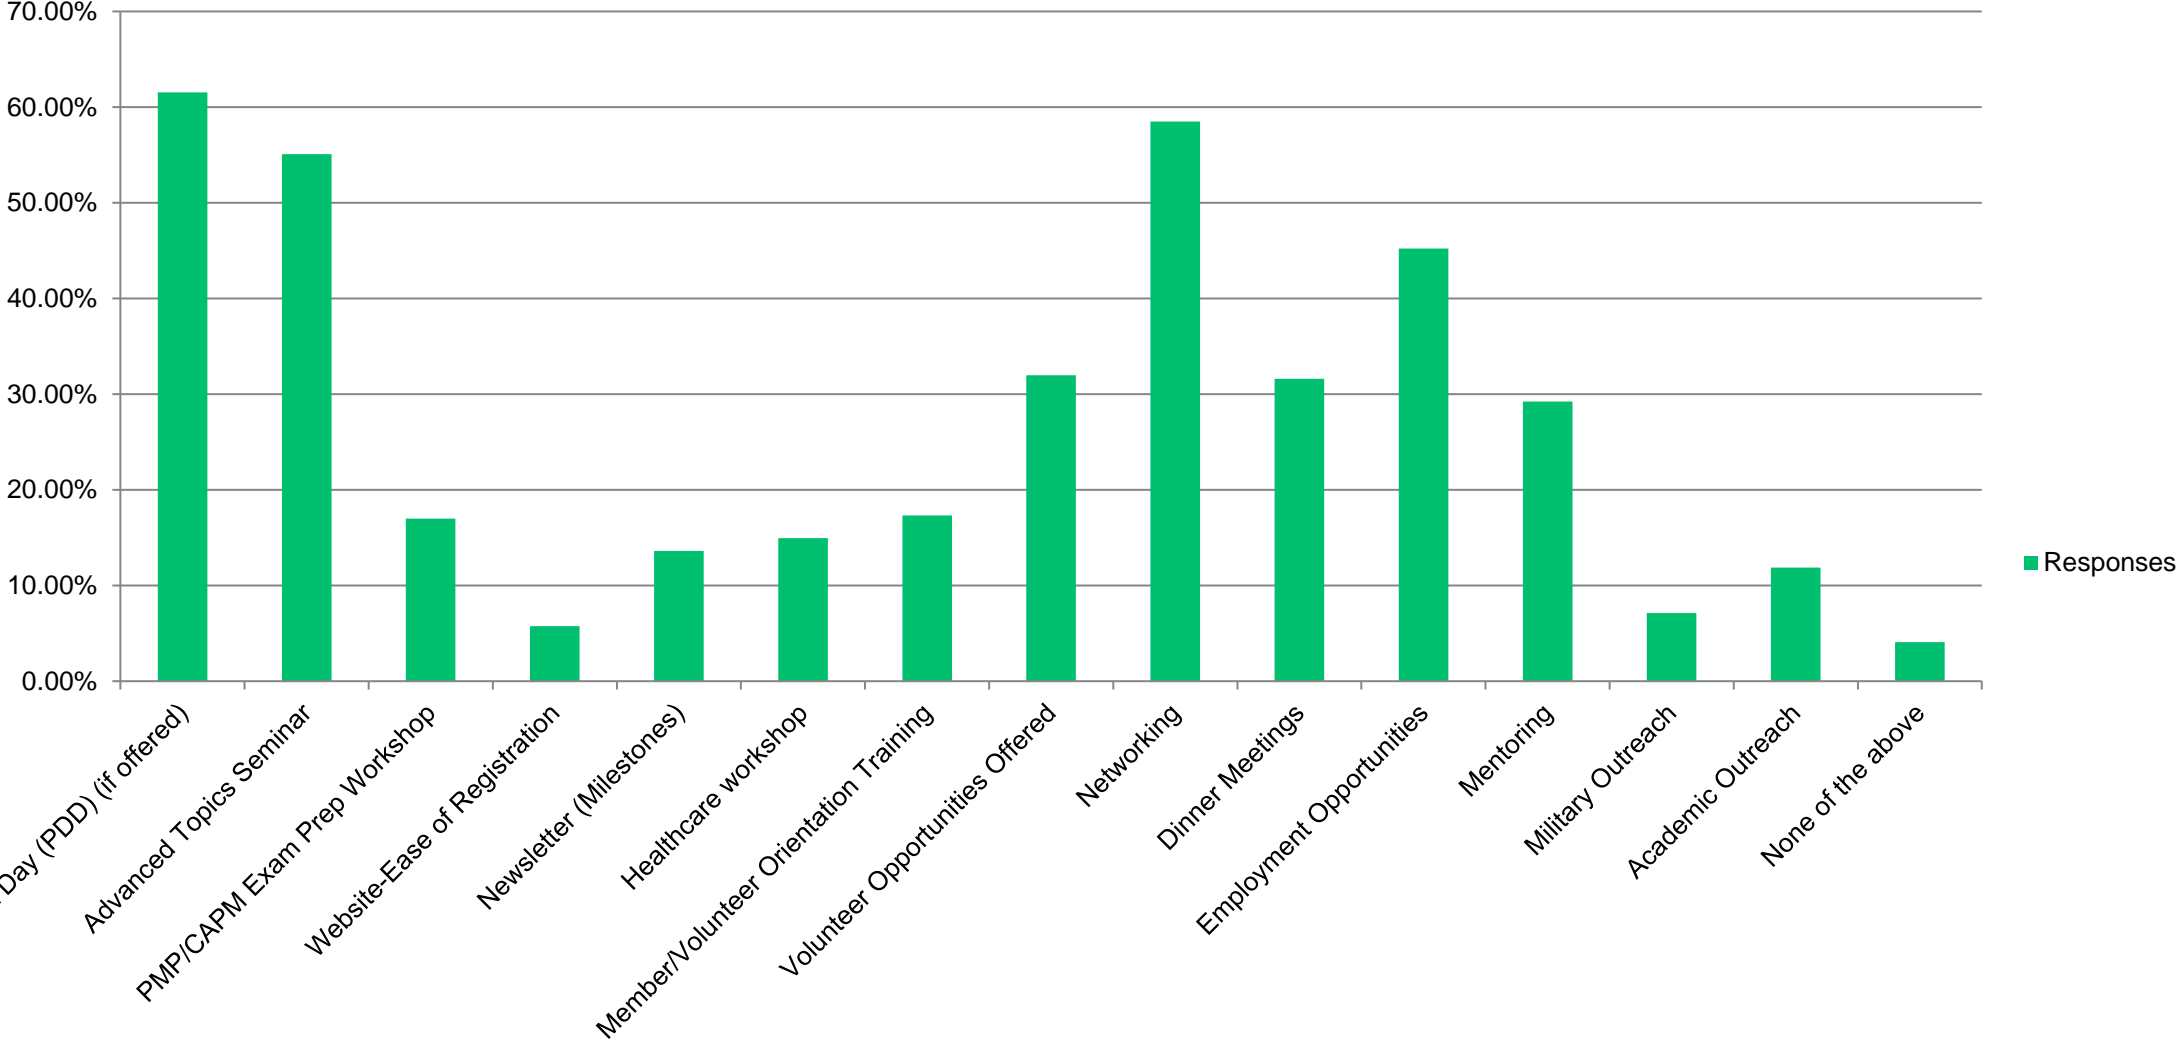

Survey Results
